- PARENT or GUARDIAN CODE OF CONDUCT
- PARENT/GUARDIAN AGREEMENT

## **OUR PHILOSOPHY**

Middlefield Children's Center is dedicated to providing a safe, supportive, and stable environment for young children and their families. We provide a nurturing setting that encourages children to learn through hands-on, interactive exploration. Learning through play provides a child-centered, teacher-guided curriculum in which children are encouraged to construct their own knowledge. We recognize and respect that each child is special and unique and learns in different ways. By providing open-ended explorations and encouraging wonder and curiosity, we hope to not only prepare children for kindergarten but to develop a passion for learning.

Our program strives to:

- Enhance creativity by offering a variety of materials and experiences in art, music, drama and literature.
- Encourage development of large motor skills through indoor and outdoor activities and fine motor development through the use of manipulative toys, blocks, puzzles and other small tools and utensils.
- Develop language and literacy skills and an appreciation through stories, music and song, dramatic play, problem solving, group discussion and a print rich environment.
- Encourage emotional development through verbal expressions of thoughts and feelings, promote acceptable ways of expressing feelings, and help children learn to recognize and accept emotions in others.
- Nurture a positive self-esteem by providing an environment for successful experiences.
- Provide an inclusive environment meeting the unique and special needs of each child.
- Foster responsibility for oneself in self-help, health, safety and interpersonal relationships and facilitate independence.
- Promote cross-cultural understanding and respect by providing children with experiences in diversity through a multicultural, anti-bias curriculum.
- Stimulate diverse thinking by offering ample opportunities for hands-on problem solving and exchange of ideas.

## **CURRICULUM**

We have chosen the **Creative Curriculum for Infants, Toddlers, and Preschoolers** based on its developmentally appropriate approach to learning.

The philosophy behind the Creative Curriculum is that young children learn best by doing. Learning isn't just repeating what someone else says; it requires active thinking and experimenting to find out how things work and to learn firsthand about the world we live in.

In their early years, children explore the world around them by using all their senses (touching, tasting, listening, smelling, and looking).

In using real materials such as blocks and trying out their ideas, children learn about sizes, shapes, and colors, and they notice relationships between things.

While planning, teachers consider the ranges of development within each group and include activities for children at all levels of learning. Our goal is always to support, encourage and scaffold each child's learning, never to frustrate.

Our program addresses the needs of the whole child, taking into account all of their developmental needs: physical, social, emotional and cognitive. We feel that a program that addresses only the cognitive or academic needs of children cannot prepare them with all of the skills they will need for life.

## **LEARNING THROUGH PLAY**

If a parent observes or visits the classroom, they might think the children are “just playing” - but the way children learn best is through play. As the children are going around and exploring all of the different centers, here are some of the skills they may acquire:

### *Language Arts (books and flannel boards)*

- \*Increases vocabulary growth
- \*Develops listening skills
- \*Develops reading readiness skills
- \*Develops oral language skills
- \*Encourages an interest in and respect for books
- \*Develops an appreciation of good literature
- \*Develops imagination
- \*Increases attention span

### *Science*

- \*Develops observation and discrimination skills
- \*Develops a respect for the environment
- \*Encourages a child’s curiosity

### *Blocks and Building Materials*

- \*Provides practice with social skills
- \*Develops gross and fine motor skills
- \*Teaches mathematical concepts (shape, size, balance, counting)
- \*Increases creativity and decision-making skills
- \*Develops visual discrimination skills
- \*Provides an opportunity for role play
- \*Increases communication skills and oral vocabulary

### *Dramatic Play*

- \*Provides an opportunity to role play home experiences
- \*Increases social development and communication skills
- \*Develops small and large muscle coordination
- \*Develops self-awareness
- \*Develops visual discrimination skills

## *Art*

- \*Provides opportunities for creativity and imagination
- \*Develops small and large muscle skills
- \*Develops color concepts
- \*Provides a release of positive and negative feelings
- \*Develops reading readiness skills
- \*Develops pre-writing skills
- \*Encourages an appreciation for the arts

## *Sand and Water Play/Sensory*

- \*Develops sense awareness
- \*Develops concepts involving space, measurement, volume
- \*Increases fine and gross motor skills
- \*Provides opportunities for problem solving and creative thinking
- \*Encourages children to think, reason, question and experiment

## *Manipulative (puzzles and other fine motor toys)*

- \*Develops small muscle coordination
- \*Increases social development and communication skills
- \*Fosters imagination
- \*Teaches mathematical concepts (shapes, sizes, counting)
- \*Provides opportunities for problem solving

## *Large Muscle and Outdoor Play*

- \*Develops large muscle coordination
- \*Increases social development and communication skills
- \*Provides opportunities for sharing
- \*Provide opportunities for role play
- \*Fosters safety awareness

## **OUTDOOR AND RISKY PLAY POLICY**

Taking children outdoors is a healthy, integral part of our daily schedule and curriculum. The children will play outside for at least 90 minutes each morning and for children that spend full days with us, they will have an additional 60-90 minutes outside in the afternoon.

Children will go outside during every season, including cold winter weather and rainy weather. We ask all families to provide a weather appropriate change of clothing. If the temperature is below 20 degrees (actual temperature or with windchill) we will not take children outside. If the temperature is below 32 degrees (actual or with windchill) children MUST be dressed to go outside for a maximum of 20 minutes.

We do use the entire property. This includes nature walks on the driving path through the cemetery, using the large grassy area just beyond our playground space, and we have the opportunity to use the main church building for events that require more space.

Our playground encourages children to work with real objects. We have tires, wood spools and pallets, as well as bricks and tools. The children are asked to wear child-sized leather gloves when working with some of these materials. With these materials, the children are able to be creative and explore their abilities. Additionally, we do have climbing structures that the children may climb and jump from. We have developed the following information/guidelines for parents and teachers to explain how we will encourage risky play opportunities for each child.

This risky play policy applies to all staff, children, and parents within the program. We recognize that children both need and want to take risks in order to explore limits, venture into new experiences, and develop their capacities.

### Aim:

- The aim of this policy is to make sure children are given access to risky play to extend their learning and development while being supported by a capable and confident adult.

### Objectives:

- For children to explore and extend their development through taking risks in a controlled environment.
- For staff to supervise children to ensure they are able to access risky play while staying safe.
- For children to become confident in taking risks and developing their skills and independence.

## Guidelines for Implementation:

- At MCC we recognize that taking risks forms a vital part of building children's learning and development.
- We will encourage children to take risks and challenge themselves in the safety of the playground environment.
- It is the role and responsibility of all members of staff to ensure they are aware of any risks on the playground and that they position themselves with the children so that they are able to help, support and encourage as and when needed.
- Every three months we will carry out an accident analysis to acknowledge where any accidents may have occurred and if there are any areas where a risk assessment or another action needs to be taken.
- Staff are always alert and aware of the children's needs and will support them as much as they can.
- Each teacher is trained in First Aid to ensure, if a child is injured, that they will be cared for properly.
- Types of risky play that the children may be involved in includes building and using balancing beams using natural materials such as wood, bricks and tree stumps.

## **HOURS OF OPERATION AND RSD 13 CALENDAR**

**HOURS OF OPERATION:** Middlefield Children's Center hours of operation are 7:30am - 6:00pm divided into the following programs:

Early Drop off 7:30am - 8:30am

A.M. Program 8:30am -12:00pm

Extended Day 8:30am - 3:30pm

Full Day 8:30am - 6:00pm

After School (elementary age only) 3:30pm - 6:00pm

**SUMMER PROGRAM:** Summer hours will be 8-5 with half day or full day options available. Information on the summer programs is available before April.

**YEARLY CALENDAR:** MCC's school year runs in accordance with **Regional School District 13's calendar** as well as shares the same vacation weeks/days as Regional School District 13.

**INCLEMENT WEATHER CLOSING/EARLY DISMISSAL:** Just as Middlefield Children's Center operates off Regional School District 13's calendar, MCC also operates off the same inclement weather/school closing/early dismissal schedule as Regional School District 13 (RSD 13).

*\*If RSD 13 is closed due to inclement weather or has a remote learning day, MCC is closed.*

*\*If RSD 13 has a delayed opening, MCC will open at 9:30am for the families that pay for early drop off. All other families will arrive at 10:30, reflecting the 2 hour delay.*

*\*If RSD 13 has an early dismissal due to inclement weather, MCC will close at 2:00pm.*

*\*If RSD 13 cancels their after school activities due to inclement weather, MCC will close at 4:00 pm.*

*\*Please call MCC if you are unsure.*

## OUR DAILY SCHEDULE

Our daily schedule varies depending on enrollment and length of day. The following is a sample of our full day program:

|                    |  |
|--------------------|--|
| <b>8:30-10:00</b>  | Arrival/Playground   |
| 10:00-10:20        | Handwashing/Bathroom/Snack   |
| 10:20-10:50        | Circle Time (books/stories, discussion, sharing, music and movement)   |
| 10:50-11:40        | Free Play and Centers: art, science, blocks, math and dramatic play  |
| 11:40-11:45        | Clean-up   |
| 11:45-12:00        | Circle time: story, music  |
| <b>11:50-12:00</b> | <b>Dismissal</b>   |
| 12:00-12:40        | Lunch time   |
| 12:40-12:50        | Bathroom/Handwashing   |
| 12:50-2:50         | Rest (all children on cots for rest time. Children that do not fall asleep are able to do quiet activities after 20-30 minutes.) |
| 2:50-3:20          | Bathroom/Hand washing/Snack  |
| <b>3:20-3:30</b>   | <b>Extended day dismissal</b>  |
| 3:30-5:50          | Outdoor Play (playground, field, or nature walks)  |
| <b>5:50-6:00</b>   | <b>Dismissal</b>   |

### Elementary School/After School Schedule

|             |   |
|-------------|---|
| 3:30-4:00   | Bus Arrival times/Snack/Bathroom                  |
| 4:00-4:30   | Homework  |
| 4:30-6:00   | Outside Play (playground, field, or nature walks) |
| <b>6:00</b> | Dismissal   |

## **NON CO-OP PROGRAM**

### **NON CO-OP PROGRAM**

The non co-op choice is for the families who feel that it may be too difficult to fully participate in the co-op program. The non Co-op option will excuse you from serving on a committee hence the higher tuition rate. Non Co-op families are not required to participate in fundraising. We will, however, always invite Non Co-op Families to participate as they would like to on their own accord, and any participation is always welcome. We do ask that a family member attend the August Family meeting as there is a great deal of information shared that is important to all families at MCC.

### **MANDATORY PARENT MEETINGS**

There is ONE mandatory meeting a year, in August for ALL enrolled families. A representative for each Non-CO-OP family is required to attend the August parent meeting. If you are unable to attend and do not send a representative, you will be charged a \$50 fine.

## **CO-OP PROGRAM**

### **CO-OP PROGRAM**

What is a co-op? A parent cooperative preschool is administered and maintained by the parents on a non-profit, non-sectarian basis. Each family has two committee assignments that allows them to share in the business operation of the school, thus making it truly a cooperative venture.

### **MANDATORY PARENT MEETINGS**

There are TWO mandatory meetings a year, one in August and one in May for ALL enrolled families. A representative for each CO-OP family is required to attend the August & May parent meeting. If you are unable to attend and do not send a representative, you will be charged a \$50 fine.

### **CO-OP PROGRAM RESPONSIBILITIES**

- Complete **one task per month** from the maintenance list which helps in the general upkeep of the classrooms, school, and outdoor spaces.
- Complete **one fundraising and public relations task for our FALL and SPRING fundraisers**. The number of and timing of fundraisers changes yearly.

### **FINES FOR INCOMPLETE MONTHLY MAINTENANCE TASK**

- Completion of a monthly maintenance co-op task is vital to MCC. Non-completion will result in a \$25 fee. If Non-Completion continues for more than 1 month, you will be charged the NON CO-OP rate for the remainder of the year.

## **FINES FOR NON PARTICIPATION IN FUNDRAISING EVENTS**

- As a participant in the **co-op program**, you are mandated to participate in all fundraising events. This is how we can help keep the tuition rates lower. A fine for non-participation in fundraisers will be determined by the board of directors prior to each fundraising event.

## **BOARD OF DIRECTORS**

As a cooperative, parent-managed school, the Board of Directors is made up of parents who work together to hire teachers, manage the finances, and generally oversee school operations. The board, consisting of 3-8 parents, works as a team with the Director to help achieve the school's goals. The Parent Board and Director will meet monthly to focus on goals and business decisions.

### **Membership Powers and Responsibilities**

The owner and ultimate authority of the Middlefield Children's Center is the cooperative membership. The following positions are held by elected members of the cooperative membership with a term of office of 1 year: **Director, President, Vice President, Treasurer, Secretary, Fundraising Co-chairs**

### **Board of Directors Collective Responsibilities:**

- Each board member is responsible for attending monthly board meetings.
- Provide input/talking points for general membership and executive session agendas
- Schedule the date and time of each board meeting a month prior
- One Board member position fulfills a family's co-op responsibilities.
- Single families cannot hold more than one elected board position.
- Collectively discuss salary increases yearly under the guidance of the treasurer
- Collectively discuss tuition increases yearly under the guidance of the treasurer
- Each board position has an established email account that you are responsible for maintaining and utilizing for all communications and document sharing.
- Two unexcused absences (by a board member) from board meetings will result in that board member being asked to step down from their board position.

## **Board of Directors Individual Responsibilities:**

|                                     |  |
|-------------------------------------|--|
| <p><b>President</b></p>             | <ul style="list-style-type: none"> <li>A. Serve as the central source of communication between all persons associated to and with Middlefield Children’s Center, including the MFC</li> <li>B. Run all meetings of Middlefield Children’s Center</li> <li>C. In conjunction with the Director, create and maintain a maintenance task sign-up each month.</li> <li>D. Notify families of fines for incomplete monthly maintenance tasks.</li> <li>E. Possess one of the three legal bank signatures of the organization</li> <li>F. Set up online banking and assign access to secretary and treasurer.</li> <li>G. Responsible for acting as church liaison.</li> <li>H. Delegate responsibilities if necessary.</li> </ul>   |
| <p><b>Vice President</b></p>        | <ul style="list-style-type: none"> <li>A. Act in the absence of the President</li> <li>B. Check the tuition box regularly.</li> <li>C. Using Google Sheets, record ALL deposits by month for the bookkeeper</li> <li>D. Prepare tuition deposits and take them to the bank.</li> <li>E. Send out both a notice and email of overdue tuition - Notify the board, director, and bookkeeper of any overdue tuition</li> </ul>   |
| <p><b>Treasurer</b></p>             | <ul style="list-style-type: none"> <li>A. Ensure open communication and full transparency with bookkeeper</li> <li>B. Serve as communicator between bookkeeper, board, and director</li> <li>C. Manage ALL bank transactions including deposits and withdrawals (fundraisers, bonuses, etc)</li> <li>D. Pay bills as they come in</li> <li>E. Maintain Middlefield Children’s Center insurance plans (bills, etc)</li> <li>F. Prepare annual budget based on information from bookkeeper</li> <li>G. Order supplies (Amazon, nature explore, by request/approval)</li> <li>H. Review monthly bank account reconciliation done by the bookkeeper</li> <li>I. Submit all approved expenses and bills to bookkeeper</li> <li>J. Possess one of the three legal bank signatures of the organization</li> </ul> |
| <p><b>Secretary</b></p>             | <ul style="list-style-type: none"> <li>A. Be responsible for recording minutes and maintaining the records of all meetings.</li> <li>B. Using Google Doc template, keep a record of both regular and executive session meetings. Share will all members of the board.</li> <li>C. Possess one of the three legal signatures of the organization.</li> <li>D. Work with board members to edit minutes until approved by all members.</li> <li>E. Email Co-op families with approved meeting minutes monthly.</li> <li>F. Possess one of the three legal bank signatures of the organization</li> </ul>  |
| <p><b>Fundraising Co-Chairs</b></p> | <ul style="list-style-type: none"> <li>A. Oversees all fundraising operations and determines all fundraising opportunities that will be used to raise funds for MCC.</li> <li>B. Act as head of the fundraising committee and delegate fundraising responsibilities required.</li> <li>C. Keep the Board of Directors informed of all fundraising activities and fund status at each monthly Board of Directors meetings.</li> <li>D. Organize all major fundraisers (2-3 annually).</li> </ul>  |

|   |  |
|---|--|
|   | <p>E. Responsible for getting money from treasurer for fundraising events</p> <p>F. Responsible for money during fundraisers</p> <p>G. Act as head of the public relations committee and delegate PR responsibilities.</p> <p>H. Organize ways to give back to the community.</p> <p>I. Organize ways for MCC to participate in community events.</p> <p>J. Work with the director to complete all needed advertising.</p> <p>K. Oversee the yearbook committee.</p>   |
| <p><b>Bookkeeper</b></p> <p>(note: not an elected role, Board or Directors votes annually to hire for services)</p> | <p>A. Knowledge of Quickbooks Online</p> <p>B. Check Tuition Google Sheets (kept up by treasurer) for deposits/paid invoices</p> <p>C. Record all deposits in Quickbooks submitted by treasurer</p> <p>D. Ensure open communication and full transparency with treasurer</p> <p>E. Reconcile bank account monthly - provide reports to treasurer</p> <p>F. Process weekly payroll</p> <p>G. Maintain employee records for payroll in Quickbooks</p> <p>H. Maintain direct deposit accounts for staff</p> <p>I. Process monthly payroll deposits</p> <p>J. Process quarterly federal and state tax payments and filings</p> <p>K. Process annual federal and state payments and filings</p> <p>L. Create/report/disperse W2s annually</p> <p>M. Maintain workers compensation plans, payment, etc</p> <p>N. Provide tax statements to families who have dependent care accounts (upon request)</p> <p>O. Enroll students for quickbooks invoicing/payments, and for budgeting purposes</p> <p>P. Provide Profit &amp; Loss reports to MCC treasurer for budget preparation</p> <p>Q. Process billing for all enrolled students-includes invoicing, processing payment</p> <p>R. Complete annual workers compensation report –requested by insurance company</p> <p>S. Complete and file annual tax return</p> <p>T. Work directly with IRS/State agencies as needed</p> |

**The collective Board of Directors has the following authority:**

1. Authorize the establishment of any special committee and define its responsibilities.
2. Authorize the purchase of major equipment.
3. Act in matter of policy not delegated to the committees.
4. Select, appoint, re-appointment or decline to re-appoint any teacher, including Director/Interim Director, and bookkeeper, and negotiate, approve, and execute contracts of employment.
5. By a majority vote of the Board of Directors and with the consent of a majority of the members attending a duly-called membership meeting, duly sever the connection of any teacher, bookkeeper, or the Director/Interim Director with the school, in a manner consistent with the terms of the employment contract.

6. Discontinue a child's enrollment for the following reasons: a member's failure to meet financial or participation responsibilities as agreed; or, upon recommendation of the professional staff, for the child's inability to adjust to the school program.
7. Consider any change of tuition during the school year and recommend such need to a vote of the general membership; tuition can be changed during the year by two-thirds of the general membership voting agreement.
8. With a majority vote of all members, establish or change auxiliary programs

## **ENROLLMENT GUIDELINES**

### **CONDITIONS FOR ENROLLMENT**

Our program is licensed for children ages 2.9 - 12 years of age.

**PRESCHOOL PROGRAM:** The child must be three years old by December 31st of the current year in order to be accepted into the preschool (3-year-old) program. We expect children to be potty trained, however we do understand that some parents choose to use pull-ups as part of the process. We will allow the use of pull-ups as long as the child is able to use them independently.

**PRE-KINDERGARTEN PROGRAM:** The child must be four years old by December 31st of the current year in order to be accepted into the pre-kindergarten (4-year-old) program. The child must be toilet trained.

**SCHOOL- AGE PROGRAM:** The child must be of kindergarten age to be accepted in the school age program.

- Parents must register in person and complete all necessary forms **by June 1st**. These include:
  - Registration form and fee
  - Enrollment agreement and deposit
  - Emergency card
  - Current physical form
  - Student information form
  - Discipline Policy Acknowledgement form
  - Parent code of conduct.
- In the event that all school slots are filled, a waiting list will be kept in order of application. Openings will be filled from this list on a first-come first-serve basis.
- Enrollment applications will be numbered, indicating the order in which they are received on application days.

## **REGISTRATION FEES and FINES**

**Registration Fee:** A non-refundable registration fee is due at the time of application: \$100 for new MCC families and \$50 for returning MCC families.

**Deposit:** To reserve your child's space at Middlefield Children's Center, a non-refundable deposit in the amount of **1 month's tuition** will be due by June, 1, 2020. This deposit will cover the tuition for June 2021. If you register AFTER JUNE 1, 2020, a deposit in the amount of 1 month's tuition is due upon registration.

**Monthly Tuition:** Your monthly tuition is payable in advance and due by the 1st of each month. Here is the payment schedule:

|                          |                        |                         |
|--------------------------|------------------------|-------------------------|
| <b>September 1, 2022</b> | <b>October 1, 2022</b> | <b>November 1, 2022</b> |
| <b>December 1, 2022</b>  | <b>January 1, 2023</b> | <b>February 1, 2023</b> |
| <b>March 1, 2023</b>     | <b>April 1, 2023</b>   | <b>May 1, 2023</b>      |

\*Tuition may increase annually within a 1-3% increase to reflect cost of living increases.

**Change from CO-OP to NON CO-OP Fee:** MCC relies on its CO-OP families. Should you choose to switch from CO-OP to NON CO-OP after Sept 1st, a \$100 fee will be applied.

### **Discounts**

- 10% discount off yearly tuition total if paid in full by September 1<sup>st</sup>
- 10% discount for multi-child enrollments (monthly, on installments)  
\*(If combining both discounts, multi-child drops to 5%)

**Per Diem Charge:** If for any reason you need your child to come for an additional day/program, there is a flat rate charge per program. Please check with us first and give 24 hour notice, so we remain in ratio. Daily charges are as follows:

|                              |      |
|------------------------------|------|
| Morning Session (8:30-12:00) | \$33 |
| Extended Day (12:00-3:30)    | \$33 |
| Afterschool (3:30-6:00)      | \$33 |
| Full day (8:30-6:00)         | \$68 |

**\*\*There is NO reduction of fees or substituting your child's day when your child is absent, whether it is due to a vacation, illness, or snow days. We base our tuition on an annual rate, paid in 10 monthly installments.**

**LATE PAYMENT FINES:** Tuition is due on the 1<sup>st</sup> of the month.

There will be a **\$25 late fee per child** for any payment not received by the 10<sup>th</sup> day of the month.

**Payment is 30 days late**

A meeting with one member of the Board of Directors will be established to determine a payment plan.

**Payment is 60 days late**

If any family misses **two consecutive months** of tuition payments and has not paid in full by the **first day of the third month**, that family's case will go before the Board of Directors. The President will alert the family of the 9 days they have to pay the balance via bank check, certified check, or cash, or they risk being expelled.

If payment is still not received **on the 10th of the third month**, the family will be notified that the space can no longer be reserved for your child(ren), and care can no longer be provided for the child(ren) until the balance is current. To reinstate a child, the total outstanding balance (including late fees) must be paid via bank check, certified check, or cash in full with a \$100.00 reinstatement fee. No tuition payment debts may be carried over the summer, and all tuition payment checks must clear before June 15th of the given year.

**Payment is 60 days late with no payment plan set**

When a payment is delinquent for sixty (60) days and no attempt has been made to set up a payment plan to bring the account current, the space can no longer be reserved for your child(ren), and care can no longer be provided for the child(ren) until the balance is current. To reinstate a child, the total outstanding balance (including late fees) must be paid via bank check, certified check, or cash in full with a \$100.00 reinstatement fee. No tuition payment debts may be carried over the summer, and all tuition payment checks must clear before June 15th of the given year.

**FINES FOR LATE PICKUP OF CHILD - 12:00 or 3:30 DISMISSAL:** If a parent/guardian picks up their child AFTER the designated pick-up time frame, the family will incur a \$10 fee. If the parent/guardian is more than 20 minutes late, the family will be charged a \$25 fee for the next session, for a total of \$35. If parents are late more than twice a month an additional fee, determined by the Board of Directors, will be billed.

**FINES FOR LATE PICKUP OF CHILD - CLOSING TIME:** If a parent/guardian fails to arrive by closing time, the child will remain with two staff members until he or she is picked up. A **\$25 charge will be billed**, followed by a \$25 fee per half-hour to cover staff expenses for staying with the child.

Frequent tardiness may result in the family being asked to leave the school. In case of an emergency, the parent should call the school. If the school is unable to contact the parents or any of the emergency contacts within a half hour of school closing, the authorities will be called.

\*\*MCC will always have two staff members on site, at least 18 years of age, until all children have been picked up.

**REFUNDABLE FEES:** A family who withdraws from the program before September 1<sup>st</sup> will be refunded any monies paid towards annual tuition. A family who withdraws from the program **MUST** give a **thirty (30) days written notice** to the Director and all current financial obligations must be met. The deposit payment will only be refunded due to extenuating circumstances to be approved by the Board of Directors

**SCHEDULING CHANGES:** MCC requires a **one month written notice for any schedule change or request**. If you are reducing your schedule and do not give a 30 day written notice, you are responsible to pay the original amount for the month. The new amount will take effect next month. If you extend your schedule or change your enrollment status from Co-op to Non Co-op, we will require the difference of the monthly tuition to be added to the deposit.

**PROBATIONARY PERIOD:** There will be a one-month (calendar month) probationary period for all children. If staff and parents agree that the placement at MCC is not appropriate for a particular child, the deposit will be refunded and all tuition for the balance of the year will be waived. For example, if the MCC school year begins on September 1<sup>st</sup>, then the probationary period will end on October 1<sup>st</sup>.

## **CLOTHING REQUIREMENTS AND SUGGESTIONS**

Children should dress comfortably, simply and suitably for the weather.

**Please bring in weather appropriate clothing for outdoor play – we do go out in the winter – boots, hats, snow pants and mittens.**

**Our activities can get very messy! Parents are advised to avoid sending children to school in clothes they do not want spoiled.** Children will go outside daily where they will not only be building, but they have access to our mud kitchen and sand box. While we do our best to protect the children with smocks, etc., clothes can still get dirty.

Children should also bring a complete change of clothing, well labeled, according to the season, to school in the event that accidents, spills, wet playground and water table play may make changing clothes necessary. Each child has a small bin below the cubbies to store their extra change of clothes.

**Within the classroom, children do not wear shoes. Parents/caregivers are asked to please provide either inside shoes or slippers for each child.**

**Shoes:** We encourage families to send their children wearing appropriate shoes. Sneakers are recommended. With children jumping from structures, climbing up and down slides, and manipulating wood and brick objects for building, protecting the children's feet is very important. It is the right of any teacher to limit a child's activities if they are not wearing shoes appropriate for an area on the playground.

**\*For the safety of the children, please follow the following guidelines:**

**Sneakers and socks are safest!**

**We do not recommend flip flops, sandals, or CROCS for any outside play. A change of sneakers and socks required.**

## **GENERAL INFORMATION**

**DAILY COMMUNICATION:** Parents and teachers need to communicate! Parents are encouraged to ask about the events that happen each day. The staff is available before and after class on a daily basis to discuss in private any questions or concerns you may have regarding your child and/or the program. Please feel free to talk to your child's teacher at school or email to request a meeting. MCC will provide a private area for these conversations to take place.

MCC uses the Brightwheel app for checking children in and out each day and teachers communicate daily through the app. Notes, photos and videos can be sent directly to families. This app is also used for sending out alerts about weather related closings or possible Covid-19 related quarantines.

**CONFERENCES:** Conferences are held in November and May with an optional January conference. A written progress report will accompany the May conference. In addition to these times, you may request a conference as necessary.

With Covid-19, conferences will be offered over the phone.

**REFERRALS:** If parents or teachers have concerns about the development of a child, the staff of Middlefield Children's Center will work with parents to make a referral to District 13 or help a parent make a referral to the appropriate district for formal evaluation. If necessary, MCC will meet with parents to review evaluation results and discuss a plan of action to meet the child's developmental needs. The staff will work with any additional professionals required for the child's success. It is our goal to work cooperatively with the parents, other professionals and the child to address all concerns.

**SIGN IN POLICY:** Families sign their children in and out each day through the Brightwheel app. Parents are asked to answer a health survey to ensure each child entering the program is not showing signs of illness. Teachers will sign children in and out on attendance sheets in case of app error or internet issues.

**CHANGES IN DISMISSAL PLANS:** If someone other than the parent/guardian, or approved pick-up person is to pick-up, the parent must call, email, or write a note authorizing the change in dismissal. MCC reserves the right to ask for photo identification.

**ACCIDENT REPORT :** If your child is injured during the course of the school day, a note will be sent through the Brightwheel app to notify parents. Additionally, a written report will be given to you with all the details of the incident and any action taken. In case of a medical emergency, a qualified staff member will administer first aid as needed. Attempts will be made to contact the child's parents first as well as their doctor/dentist. If not available, the program's health consultant will be contacted. For extreme emergencies, 911 will be called. An ambulance will take the child to Middlesex Hospital,

unless otherwise noted by the parent to transport to another hospital. A staff member will accompany the child as long as the state mandated ratio is fulfilled. Another staff member will notify parents.

**INCIDENT REPORTS:** If there is a situation that involves your child injuring another child, we will complete an incident report. These reports are used to track accidents, injuries to children, and behaviors. With this information the program is able to assist children that are struggling to control impulses or behaviors and guide them to productive and acceptable choices and outcomes. This information is not shared beyond the staff working with the child.

**STAFF PRESENCE:** The MCC Board of Directors can vote to authorize the hiring of additional staff, if needed, based on enrollment numbers to meet Department of Public Health State Licensing Regulations. Current ratios are 10:1.

**TEACHER SUBSTITUTES:** When a teacher calls in sick, we will find a replacement from the list of teachers and/or parents who signed up to fill in as needed. If none are available, a staff member will be asked to cover.

**REST:** For children that stay beyond lunch, we offer a rest/napping period. Children that need to sleep have the chance to sleep in a quiet room. Children that have outgrown napping will be asked to rest on a mat for 20-30 minutes. Rest happens after lunch so it is the perfect time for children to unwind and let their body relax. After the 20-30 minutes time period they will be encouraged to use quiet activities such as: puzzles, play dough, and art.

Each child has a mat to rest on. Children may bring one **small** blanket and one small stuffed animal or doll to rest with. **Any items brought from home for rest time MUST be able to fit inside their cubbies or the bag/container that is provided for their belongings.** These materials should be labeled with the child's name. These items will be in their cubby each day and children will be encouraged to get their own belongings as well as put them away. This helps to build self help skills and independence. Blankets go home each Friday!

**TOYS FROM HOME:** Sometimes children need to bring special toys to school to "bridge" home and school transitions. On these occasions we will work with you and your child to make it a positive sharing experience. Past experience has shown us that lots of toys from home create many problems at school. Please encourage your child to leave all personal belongings at home.

**DISCRETION WITH OUT-OF-SCHOOL ACTIVITIES:** Please use discretion in arranging playdates, birthday parties or other non-school related activities. In order to avoid hurt feelings, we ask that you do not use the school cubbies for invitations unless the entire class is invited. A class list is provided to contact families at home.

**BIRTHDAYS:** At MCC, we recognize each child's special birthday, however, we do not have parties for the children. If parents would like to come in to read a story, or choose to bring a birthday treat, we prefer a treat which is nutritious and healthy. If a baked good is brought in, there needs to be a "Nut Free" label on the container. Please contact the teachers about bringing in a treat before the actual birthday. They will have some wonderful suggestions that take into account possible food allergies among the students, therefore no one will be excluded from the celebration.

Currently, part of our Covid policy, foods can be brought in for celebrations that are store bought, sealed and clearly label all ingredients. Parents are asked to speak with their child's teacher to ensure there are no allergies in the classroom.

**FOOD ALLERGIES AND SNACK/LUNCH RESTRICTIONS:** Each year, based on enrollment we may enforce a nut free policy. This is dependent on the children enrolled in the program. If we do need to be nut free we will provide you with an extended list of foods that can be brought into the program. We do support other food allergies. If any child has a food allergy, parents will all be notified. Since we share bathrooms and the playground, we do school wide limitations to ensure each child is safe and protected from foods that could be harmful.

For children that are here for a half day, parents will pack a snack. For children enrolled in either the extended day program or the full day program, parents will need to pack a morning snack, lunch and an afternoon snack. We do encourage parents to pack fruits, vegetables and proteins as the children are very active each day and need the fuel that healthy foods contain. Please do not pack any form of candy and we suggest that you send in water for your child to drink. We are in agreement with our dental consultant that candy and juice boxes are not the best items to send in as we do not brush teeth during the day and these kinds of foods and drinks can sit on your child's teeth and could potentially cause dental issues.

Please pack 1-3 items for each snack and 2-3 items for lunch. Please keep in mind that as mentioned above, the children play hard and they need foods that will give them energy and they will have days that they eat more or less, but offering enough items will ensure covering those days that they have played hard and need more food.

## **HEALTH GUIDELINES**

Every child must have a completed medical health form signed by a physician, including all immunization records. All children enrolled at MCC will be required to meet state immunizations guidelines. All health forms must be completed by a physician and returned to school before the first day of school. A child will not be allowed to enter school until the health forms are completed and returned. There is a 30 day allowance for updating physicals during the school year. **As of Sept. 2010, the Department of Public Health has mandated that every child up to 60 months old in a child care center MUST receive the flu vaccine between September 1st and December 31<sup>st</sup>.** If your child has a well check in August, and you receive the flu vaccine at that time, it will be accepted. Exemptions from the flu vaccine are religious or medical ONLY. Written verification must be given from your physician's office that the vaccine was given.

Young children brought together in groups have increased potential for exposure to infectious disease. Please think of the health of the other children, staff and parents.

The following guidelines are a guide for you to know when to keep your child home from school. As a general rule, it is a good idea to keep your child home from school if they do not feel well enough to be able to pay attention and actively participate in the school day. The following is a list of specific illnesses and our policies for when they can return to school:

- **Fever:** any child with a temperature of 100.4 degrees or more should remain home until feeling better and the temperature is normal for 24 hours without medication. If your child feels ill in the morning before school and has a low-grade temperature, keep the child home and see if other symptoms develop.
- **Colds:** coughs and runny noses, and when accompanied by a fever.
- **Vomiting/Diarrhea:** when vomiting or diarrhea occur overnight or in the morning before school, the child should stay home. Children should remain at home for 24 hours after the last episode of fever, vomiting or diarrhea.
- **Conjunctivitis (Pink Eye):** child may return to school when the affected eye has been treated with antibiotics for 24 hours
- **Strep Throat:** a child diagnosed with strep may return to school without fever after a minimum of 24 hours of antibiotics
- **Ear Infections:** children may return to school after treatment is initiated and they are pain free.
- **Chickenpox:** children with chickenpox may return to school 5-7 days after the onset of the rash if ALL lesions are dry and scabbed over. If any open sores remain, the child must remain at home.
- **Measles:** MCC will follow state guidelines with a quarantine of 7-21 days.
- **Impetigo:** child may return to school after 24 hours of antibiotics

- **Rashes:** a child with unexplained rash that is spreading, is causing discomfort, persists for more than 2 days or appears to be a blister or filled with liquid under the skin needs to be seen

by a physician. A note from the physician stating that the child is not contagious is required for the child to return to school.

- **Scabies/head lice/ringworm:** child may return to school after treatment is administered by a physician along with a note stating the child is cleared to return.
- **Communicable diseases:** please notify staff immediately if a child has been diagnosed with a communicable disease. A note from the physician stating that the child is no longer contagious is required prior to the child returning to school.
- If your child has an open wound or sore, it should be cleaned and properly covered before coming to school.
- If your child has any behavioral, developmental, learning, or mental health concerns, please inform the school and indicate if there are any medications or special healthcare needs for the child.
- Please notify the school about any health conditions, including the following:
  - Allergies - to what, what is the reaction and what medications are required, if any.
  - Significant injuries or accidents
  - Surgeries
  - Special dietary considerations
  - Prescriptions for glasses or contact lenses
  - Hearing problems
  - Special healthcare needs

**For any contagious illness, please ask your child's doctor for a note stating they have been seen, treated, and safe to return to school.**

**If you are keeping your child at home, please call the school at 860-349-0202.**

### **Sending your child home:**

If your child becomes ill while in our care, they will be cared for in an isolated room away from the rest of the group to minimize the chances of spreading illness. A parent will be notified of their child's illness and will be required to make arrangements for the child to be picked up **within one hour** of notification by an authorized person. If we cannot reach you the staff will call those listed on your emergency form.

If you are unreachable, or cannot come within one hour, you will be charged \$10.00 for every fifteen minutes until you are reachable and/or arrive for your sick child. A sick child impacts all children and teachers that are exposed, as well as impacting our child/teacher ratio.

If your child does not seem to be themselves: complains of being tired, falls asleep in the middle of an activity or in the morning hours before rest, complains of a stomach ache, ear ache, or

seems to be not feeling well, or if they are not able to be an active member of the group, the parent will be called and asked to pick up the child early. We understand this can cause a conflict in your planned schedule, but to prevent illnesses from spreading, your child will need to go home until their symptoms have improved and they are able to be an active member in the group. Please remember, MCC is a preschool, not a daycare and we are not able to care for sick children.

### **Revised Covid Policy – February 10, 2022**

Individuals who develop any of the listed symptoms should plan to either isolate and be tested for Covid with a home test or PCR test and remain away from activities outside of the home until they are fever-free for at least 24 hours without medication and other symptoms are absent or significantly improved.

Or, they should be seen by a doctor to determine if this could be another contagious illness such as strep throat, flu, etc. A doctor's note will be required to return to school/work. Please see above guidelines for illnesses that are not Covid.

COVID-related symptoms include:

- Fever 100.0 or higher
- Chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion
- Runny Nose
- Nausea or vomiting
- Diarrhea

Children or staff that present **ANY** of the above symptoms while at school will be sent home and expected to test for Covid-19.

**Individuals that test positive for Covid-19, regardless of symptoms**, should isolate at home for at least 5 days, or longer if symptoms continue; an individual should be fever free for 24 hours WITHOUT intervention (medications) before removing themselves from quarantine. On day 6 these individuals may now return to school provided they remain asymptomatic or that their symptoms are improving, and they are masked consistently at school and in the community for the full 10 days.

**Unvaccinated or partially vaccinated individuals who are notified that they have had a close contact with an individual who has a confirmed or suspected Covid-19 infection** should immediately quarantine at home for 5 days and test for the virus 5 days after their last exposure to the Covid-19 case. This is especially important in situations where extended high-intensity exposure may have occurred, such as with household contacts, in unmasked social settings (e.g., sleepovers, parties), and/or during athletic activities.

**Fully vaccinated individuals are not required to quarantine when in close contact with positive Covid-19 cases if they are asymptomatic.**

Please continue to share test results by emailing them to the school's email address to ensure we are following protocols. Please share the home test results by using a marker on the test to indicate the test date and the name of the child, and then take a picture of the test to share with the director. Please call with any questions about this process.

### **Our plan to continue to keep our program safe during Covid:**

MCC is fortunate to have individual classrooms. We already meet the state guidelines of small groups of no more than 16 children in a class. We can be at full capacity. However, the following are a list of changes we will be making in reference to daily routines:

- 1. Group space:** We will continue to limit the number of groups that will be combined at any time inside and outside. If staffing is an issue, smaller groups may be combined but we will continue to cover the state regulated ratios of no more than 10 children in a group with one teacher. For library visits and music, groups will be combined. We will continue to wear masks and practice social distancing to the best of our abilities.
- 2. Social Distancing:** At rest, cots will be at least 6 feet apart and children will be positioned head to toe to help prevent breathing in each other's germs. In smaller spaces, where social distancing is a challenge, inside or outside, children will wear face masks and be reminded to be aware of each other's personal space.
- 3. Hand Washing:** Children and staff will be asked to wash hands more frequently throughout the day! There will be specific times that hands will be washed (for a minimum of 20 seconds): Upon

arrival each morning When leaving a center and before entering a new center Before and after eating at snack and lunch times Before and after helping children with foods Before and after toileting Before and after helping a child with toileting or changing clothes After coming into contact with bodily fluids – this includes when children touch their eyes, nose or mouths, and before and after playing outside and on the playground.

4. **Hand Sanitizer:** Hand sanitizer will be placed in each classroom, on the playground, and within the classroom backpacks the teachers carry. It will remain out of reach of the children and when the children do use it, they will be strongly supervised to prevent ingestion.

5. **Cleaning and Disinfecting:** MCC has developed a schedule for deep cleaning and disinfecting. We will routinely clean, sanitize and disinfect surfaces and objects that are frequently touched. This includes toys and materials in the classroom, but also includes surfaces such as doorknobs, light switches, sink handles, tables, chairs and playground structures made of plastic or metal. We will be using DPH approved cleaning solutions including soap and water, our already measured bleach and water solutions for sanitizing and disinfecting. We also use the EPA approved cleaner, “Force of Nature”. Surfaces will be cleaned throughout the day. Cleaning products will not be used near children and staff will ensure that there is adequate ventilation to prevent children from inhaling toxic fumes. All cleaning materials will be kept in cabinets or closets, out of reach of children!

6. **Teachers, Children and PPE:** Teachers will always wear face masks while with their classes inside. Preschool age children and School Age children are required to wear facemasks (face mask policy can be found below).

7. **Teachers and Groups:** Children will remain with their head teacher(s) during each day. We will combine groups when the enrollment is so low it is not beneficial for the child to be just with a teacher. If groups are combined, it will be a consistent transition so that exposure is still limited.

8. **Drop-off/Pick-up:** MCC is using the app, “Brightwheel” for drop off and pick up times. Families are asked to complete a health questionnaire on the app before signing their child in. Depending on the weather, 2 classrooms start on the playground and the other groups will be assigned a door to enter (front or back) for dropping off and picking up.

Parents dropping off at the front door will enter the building, one family at a time. Please bring your child upstairs and you will be greeted by a teacher. If your child does not seem to be feeling well, their temperature will be scanned to ensure they do not have a fever. If the child is cleared to go inside, a teacher will escort them to their classroom. Once the family exists in the building, the next family may come up. Please know we will do our best to move through this process as quickly as possible, but it is so important for us to be thorough at this time. There will be designated markers placed for lining up to ensure social distancing.

For picking up, if your child’s class ends on the playground, you will go to the gate to pick up. If they end in their classroom, parents will enter one at a time, just like at drop off. Families will be notified of your child’s playground schedule for drop off and pick up prior to the start of school.

9. If any child getting off the bus shows any of the above listed symptoms of COVID-19, we will check their temperature and reach out to the family if needed.

Weather permitting, the school age children will come off the bus and go directly to the playground for the afternoon. Face masks are not required outdoors, but if children are in close proximity, we will suggest face masks be worn outdoors.

If the children cannot go to the playground because of poor weather, they will use one or two of the preschool classrooms. The rooms will have been cleaned prior to their arrival. The number of children in centers will be limited and the same hand washing, cleaning, and health policies apply to the school age children as listed above and below.

## 12. **Quarantine Guidelines:**

Please follow the guidelines noted above for quarantine times.

13. **Traveling:** We will follow the CDC guidelines regarding travel. At this time, no testing is required after traveling out of state.

14. **Refunds due to COVID-19:** There are many possible scenarios that can occur which the board discussed at length. Here are the scenarios we discussed:

(a) If you withdraw your child/children before SEPTEMBER 1, 2022, you will receive a full refund (as stated in the handbook).

(b) If you choose to withdraw your child/children from MCC after SEPTEMBER 1, 2022, the refund policy in the handbook will be followed.

(c) No one will be refunded the June 2023 payment as that is your deposit for MCC (as stated in the handbook), except those who withdraw before SEPTEMBER 1, 2021.

(d) If MCC must close due to a COVID case AT MCC, a credit will be given based on each instance, OR if you withdraw your child/children prior to May, you will be refunded then.

(e) If RSD13 closes, and you choose to withdraw your child/children from MCC, the refund policy in the handbook will be followed.

(f) If you choose to reinstate your child/children after withdrawing them, it will be handled by the board on a case-by-case basis.

(g) If MCC is forced to close due to state guidelines, the board will convene and decide on reimbursement.

(h) If you choose to travel to one of the "hot" states on Connecticut's Travel Advisory List, and must quarantine for 10 days, you will not be reimbursed for that quarantine time.

15. **Stay and Screen Policy:** If your school aged child that is enrolled in before and/or after school care has been exposed at their school and the "Stay and Screen" policy allows them to remain at school, they will still need to be quarantined from MCC as this policy does not apply to most of our enrollment. If your child is exposed at MCC, please contact your child's primary school nurse for guidance on the length of time they may need to isolate or quarantine.

### **Revised Face Mask Policy – February 16, 2022**

On March 1, 2022, RSD13 and the Office of Early Childhood will be dropping the current mask mandate.

On March 15, 2022, MCC will also drop the mask mandate and make wearing face masks optional for all children and staff members while in their own classrooms and while outside.

Beginning March 2nd, we will track the positivity rate in the Middlefield/Durham area as well as watching for any positive cases within our program. If there is an increase, we will determine if we extend the two-week period and for how long.

Our health consultant will monitor local numbers and stay in contact with the school.

Even though masks will be optional, there will be times that children will still be required to wear face masks:

If two or more groups come together for either library trips or for our music specials, children will wear masks. Parents/Caregivers should continue to supply clean masks for these times.

Positivity rates will continue to be monitored and MCC, as a private institution will determine if the children and staff will need to return to wearing face masks. Our goal, along with everyone else, is to move away from all face mask restrictions.

## **MEDICATIONS**

MCC will administer emergency medication to children as well as medications such as Tylenol or Benadryl. With any medication an order from a doctor is required. This document must be completed by your child's doctor. This form includes: the name of the medication, an outline of the administration times and dosage requirements.

**For children with severe allergies that require an Epi-Pen (any brand), the Epi-Pen must be in the original packaging.** We will not accept an opened box with only one Epi-Pen from a box of two.

To administer prescription medication, parents must provide a written order from a physician. Please note: ALL medications must be in their original containers with the child's name, physician's name, directions for use and date clearly visible. **NEVER** put medication in your child's backpack or cubby, it must be given directly to the teacher. All medications are labeled and stored in a cabinet out of reach of all children.

**Hand/body lotion and chapstick are all considered topical medication and need to have medical forms completed by parents. These items, along with any sunscreen that is provided will be stored out of reach of all children.**

## **EMERGENCY PREPAREDNESS PLANS**

**MEDICAL:** In case of a medical emergency, a qualified staff member will attend to first aid as needed. Another staff member will notify the family of the child. Attempts will be made to consult with the child's physician/dentist. If neither is available, the program's medical consultants will be contacted. For extreme emergencies, 911 will be called. An ambulance will take the child and a staff member to the nearest hospital. The child's emergency permission form will be brought with them. Another staff member will notify the family or alternate pickup person to meet the child at the emergency room. Additional staff will be called in if necessary to maintain required ratios. In the event a child becomes ill while at the Center, parents will be notified and the child will be moved to the Director's office, with a cot available. A staff person will remain with the child at all times.

**WEATHER:** In case of a tornado, the staff will bring all the children to the lower level hallway. They will have the battery-operated radio, cell phones, flashlights and emergency files. Parents will be called when it is safe for travel.

**EVACUATION:** **In case of an evacuation from the school:** Staff will lead children out of the building, taking the emergency cards and roster for the day. We will walk to the safest building: (1) Middlefield Federated Church, (2) the Community Center and (3) Middlefield Fire House. Attendance will be taken prior to departure and upon arrival. Parents will be called. Two staff members will remain with the children until all have been picked up.

**DISASTER:** In the event of a disaster, the school will be equipped with a radio in order to hear instructions from the Civil Defense Agency. Parents are asked **not** to call or come to the school. They should remain in a safe place and listen to the radio for instructions. School staff will follow instructions on the radio. Emergency care will be given by a certified teacher if necessary.

**FIRE:** MCC will conduct monthly fire drills in ordinance with the Connecticut safety regulations. In the event of an actual fire, the group will move to the Middlefield Federated Church building adjacent to the school and parents will be called from that site.

### **SCHOOL SAFETY**

- The upper level entrance and exit doors will remain locked at all times. Only MCC staff will allow entrance to the program.
- If MCC determines that it is Nut Free, then all food must be Peanut/Tree Nut Free.
- No smoking is allowed on school grounds or in the building.
- No dangerous weapons or firearms are allowed on school property.
- Please park in designated parking spots allowing clearance for emergency vehicles if necessary.

**CHILD ABUSE AND NEGLECT PROCEDURES:** You have entrusted your child's care to the professional staff at Middlefield Children's Center. We are committed to your child's academic growth as well as their safety and well-being. Our staff is trained annually by DCF on abuse and neglect, prevention and detection of child abuse or neglect, and the reporting requirements as mandated reporters.

Occasionally, there are factors in a child's appearance and behavior that lead to suspicions of child abuse or neglect. Connecticut law requires that all childcare professionals, including all staff of this program, report **suspected** abuse or neglect to the authorities so that children may be protected from harm and the family may be helped.

**For the safety of your children we are required to report a child left unattended whether the child is indoors, outdoors or left in a car.**

## **REDIRECTION AND DISCIPLINE**

Within the classrooms at Middlefield Children's Center, children will be encouraged to freely explore the classroom environments and material within certain limits. These limits, which will be clearly explained to the children, are set to ensure the child's safety and protect the rights of others.

When a child is acting in such a way as to violate these limits, the teacher will intervene with corrective action. The following guidelines will be implemented as appropriate to each individual situation:

1. Response to unacceptable behavior should be immediate. First priority is given to protecting the safety of the child and others.
2. The child will be clearly told what acceptable behavior is and offered options to his or her unacceptable behavior.
3. The consequences for misbehavior should be immediate and of short duration.
4. It is preferred that the consequences be restrictions of space and restrictions of use, such as which toys they may or may not play with. If this approach does not work, the child will be given the chance to "pause" with a teacher and discuss why the behavior is unacceptable and together, the child and teacher will work to create a plan to prevent these behaviors from happening again. At no point will the child be given a "time-out" or left alone. A teacher's role as a leader and role model is most beneficial to children in helping them develop conflict resolution skills.
5. The best method of discipline is prevention. Teachers can redirect children away from potential conflicts and model appropriate behavior.

**Under no circumstances is physical punishment of any kind allowed.** It is important that a child's feelings are respected. The child should be encouraged to express his or her negative feelings and should not be made to feel bad or guilty about them. Ridicule and threats can be more harmful to the child's sense of self than physical punishment is to the body. There is always continuous supervision by staff during any disciplinary actions.

## **PARENT or GUARDIAN CODE OF CONDUCT**

As my child's most important educator, I understand that I teach my child best by my own example of reverence, responsibility, and respect. I understand that Middlefield Children's Center is dedicated to serving my family. In order to show my cooperation, support, and thankfulness.....

- I will set a good example in my own speech and behavior.
- I will show respect for the teacher, Director, and any other adult in authority in front of my child at all times regardless of what I may think of their actions or say to them in private.
- I will go through the proper channels when I have a problem.
- I will speak respectfully and with kindness and courtesy to other parents in front of students, especially when there is a disagreement.
- I will follow the school's rules, calendars, and deadlines even when I disagree.
- I will supervise my child at drop off and pick up time.
- I will supervise my child even when I am socializing outside after pick up times.

I will abide by this code of conduct while my child is enrolled at Middlefield Children's Center.

This code of conduct was developed to promote a pleasant learning environment based on the respect of the rights of students, teachers, and parents. Children learn best when they are free of interference by others and know what is expected of them. Teachers are most effective when they use a consistent approach to student behavior and know that the administration and parents support their handlings of the students. Therefore, parents and students both need to be aware of these rules and their relationship to the rights of other people in the school.

Parent or Guardian Name Printed \_\_\_\_\_

Parent or Guardian Name Signed \_\_\_\_\_

Date \_\_\_\_\_

## **PARENT/GUARDIAN AGREEMENT**

I am the parent or legal guardian of \_\_\_\_\_.

In order to record my understanding of my rights and responsibilities as a parent, guardian or custodian of the above-named child, who is enrolled in the Middlefield Children's Center for the 2022-2023 school year, I agree to abide by the 2022-2023 Parent Handbook.

I have read and understand the Covid-19 policy as well as the Face Mask policy and will follow the guidelines stated.

I understand that the deposit/first installment payment will be due by June 1, 2022 or at the time of registration and I understand the withdrawal policy.

In return for this promise of continual fulfillment of all policies, Middlefield Children's Center agrees to provide care for the above-named child who meets the standards and guidelines as set forth below and in the Parent Handbook.

**I understand that there is no automatic reduction of fees when my child is on vacation or gone from Middlefield Children's Center for any other reason, including illness.**

Middlefield Children's Center has disclosed and I fully understand and agree with the Redirection and Discipline Procedure.
